Note : 1. The quartile position indicated in this Table is based on the data of fiscal indicators provided in Table 18. The grouping of States into four quartiles viz., Q1, Q2, Q3 and Q4 provides the relative position of each State vis-à-vis others for each fiscal indicator. The States have been arranged in ascending/descending order for each indicator category and then grouped into quartiles. The level of performance declines from Q1 to Q4 for any indicator category. 2. Minus (-) sign indicates surplus in deficit indicators. 3. States in bold indicate the median State for the given indicator. 4. Also see notes to Table 18.
